Nec 3G Unlock Clip ORIGINAL Crazzy

Crazzy NEC 3G CLIP ORIGINAL is the first clip in the world for unlocking almost all NEC 3G including the newest E338 ! Rigth now it supports such phones as E338, E228, E/C313/313v/b/e, E/C 616/616v/b/e, N313/N616/N616v . You don't need a computer, software, internet, logs. It's very easy and fast to use - just connect 9V battery and plug into phone, led will blink and after 5 seconds phone will be powered OFF and phones is unlocked.

Specification:

unlock time: 5 seconds

direct unlock all versions (included v.22, 23, 24 and above) - 5 seconds.

unlock blocked phones that cannot be unlocked by software Direct Unlock (Wrong IMEI error and wrong codes) - 5 seconds

How it works:
1) Connect Clip without battery to powered ON phone (without SIM)
2) Connect 9V battery or DC as a power to Clip (red wire +, black wire -)
3) Phone will enter TestMode and LED on Clip will blink once
4) After unlocking process ended (~3-4 sec) phone will automatically goes OFF and LED will shine still

Suported phones:

E338 (direct unlock without flashing, NO PARTIAL, unlock even SW v22/v24)
