SE TOOL 3 Logs - 30 pcs SeTool logs

Logs for SE Tool - 30 credits Credits are used usualy for full unlock operations in certain SE phones.

Choose **"New account"** and type in any account name if You do not have se tool account and want us to create a new one.
Choose **"Add to account"** and type in account name if You already have a se tool account and want us to add credits.

Features:

Account with 30 credits

Important:
We sell these credits for people who know what to do with it! All support is from SE Tool authors and please find it on this website:
http://support.setool.net/
It`s important to make everything like stated in manual, especially:

1) Remove all usb devices from computer
2) Turn on the phone, install drivers (even if it was installed previously)
3) Do operation carefully
4) If You don't know how to use credits - please read forum link given above

It`s important to do everything carefuly - server is working very stable. There is no possibility of connection problem, because it`s almost always online.

Please note: This is genuine SE Tool credits account - we guarantee that it`s 100% original. We don't get any responsibility if you lose credit due to any error. We don't refund for this service - please take note of it before purchase. Any claims can be made to author via forum link provided above.
Current credits consumption list You can find on:
http://support.setool.net/showthread.php?16-CREDITS-CONSUMPTION

Set includes

Credits account 30 pcs - sent via email
