XTC Clip (WM/Android HTC Clip)

XTC Clip (WM/Android HTC Clip) is a standalone clip that allows you to unlock HTC Android phones without need for Credits or Logs. All in reasl time by just connecting a Clip into phone.

Features
- The solution is working on any device ("S-ON" and "S-OFF" doesn't matter).
- After unlocking you have SIMLOCK removed, SuperCID (11111111) and the device is "S-OFF"
- Very simple concept, this clip is an automatic GOLD CARD Generator. It Automatically generates GOLD CARD for unlocking All hTC Android phones
-Very simple 2 minutes operation. Newest models included.
- Full factory unlock (cid, sp lock, user lock)
- One click gold card creation in just 2-4 seconds(2gb card) and 6-8 seconds (8gb card)
- Supports all android HTC
- Unlocking time 20-30 seconds
